Young Radio Star At Lomita Show House Tonight

Vaudeville and High Class Film Entertainment Is Offered

In line with their avowed policy of giving the best variety of entertainment for the money, the new managers of the Lomita theatre are offering tonight a special vaudeville number. Everett Balcom, popular young Lomita boy, will be seen and heard in banjo and song numbers. Balcom is a featured radio performer and his presence on the bill tonight at the Lomita theatre will be an outstanding attraction.

In addition to this number, the management offers on the screen that intensely interesting film play "The Trial of Vivienne Ware," starring Joan Bennett and Donald Cook, with Zasu Pitts heading a sterling cast.

Ripley's "Believe It or Not," a comedy "The Girl in the Tonneau" and a sportreel will complete a satisfying bill.

AT FOX REDONDO TOMORROW

GRETA GARBO, JOHN BARRYMORE, JOAN CRAWFORD, WALLACE BEERY and LIONEL BARRYMORE in "GRAND HOTEL"

AT FOX PLAZA

"The Roar of the Dragon" presents a vivid picture of the terrors of war torn, governmentless China. Richard Dix plays his best type picture as a hard-boiled captain of a river steamer plying the bandit infested rivers of China. "The Roar of the Dragon" plays Sunday and Monday at the Fox Plaza Theatre in Hawthorne and should be well received due to its all-star cast which includes Richard Dix, Gwili Andre, Edward Everett Horton and Zasu Pitts.

AT WARNER'S San Pedro

William Powell, who plays the role of the fascinating bandit in "Jewel Robbery" in which he is co-starred with Kay Francis, will open Sunday, August 14, for a four-day engagement.

RADIO SAVES FAMILY

WOLLASTON, Mass.—(U.P.)—The raucous voice of a radio performer recently aroused Mrs. Lloyd Gazel from a daze caused by gas fumes escaping from a defective water heater. She was able to stagger to the street and summon a police officer, who rescued her husband and small daughter.

Manhattan State Beach Is Popular Recreation Spot

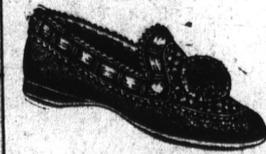

Manhattan state beach is the most popular recreation spot among all the county beaches, camps and playground areas, it was revealed in a report made to Supervisor John R. Quinn this week. Quinn is chairman of the county supervisors committee on playground areas and recreation.

Nearly 1,000,000 persons—944,150 to be exact—visited Manhattan state beach during July, the report states. A total of 3,419,421 persons visited the various beaches and areas under supervision of the county department of recreation, camps and playgrounds during the month just ended.

to Mr. Kaplan. While the practice of showing double features is not an established policy of Mr. Kaplan's, he hopes to be able to give local theatre patrons two features on each program as well as outstanding short featurettes, including high class comedies, animated cartoons, travelogues and news reels. Popular admission prices will be maintained at all times, Mr. Kaplan states.

As soon as the stage is equipped, it is the new management's plan to bring outstanding stage attractions here to augment the picture program.

Refinements Installed

Extensive improvements and refinements are being installed in the theatre preparatory to the grand opening a week from this Friday. The interior is being redecorated and equipped with new drapes, carpeting, tapestries and furniture. New and improved lighting will also be installed. Plans are also under way for remodeling the balcony with loge seats, but due to the fact that this equipment has to be made to order, it will not be ready in time for the opening. The stage is to be remodeled and equipped with counter weight curtain to permit showing stage attractions.

Mr. Kaplan is a Shiner, a Mason, and an Elk as well as being a member of other fraternal orders. He is being assisted in the management of the Torrance Theatre by Sam Klein, who has been associated with Mr. Kaplan for a number of years.

Children's Matinees

The new management has been very successful in conducting special matinees for children, and it is Mr. Kaplan's plan to inaugurate the policy of holding special shows for children every Saturday at 2 p. m. Special pictures of particular interest to children will be shown in addition to the regular program at these times.

"We intend to give Torrance as high class programs as are given in the larger cities of California," said Mr. Kaplan.

Complete details of the gala opening will be published in next week's Herald, as well as pictures to be shown in the immediate future.
